Rotary Youth Program of Enrichment

RYPEN

Rotary Youth Program of Enrichment

The aim of the program is to inspire and motivate you through a number of activities, which will assist you in forming your own values and standards in life.

The camp is a fun learning and team building experience to help you develop life building skills.

The Rotaract leaders (aged between 18 and 30) deal directly with you and carefully plan the weekend's activities.

A host Rotary club helps out over the weekend.

A Typical Camp Program

There are many activities to encourage the development of communication skills, self confidence and team work.

Some activities are undertaken in small groups of about 10 students and other activities involve a larger group.

Throughout the weekend there is a variety of motivational speakers.

Feedback

Students who have attended RYPEN in the past have commented on the enjoyment and friendship of the week-end and the value they have gained.

Costs

There is no cost to you, your family or school for the program.

Rotary clubs sponsor your attendance. Participants are transported to and from the camp by a member of their sponsoring Rotary club.
